

# Changeover cable diameter EVC

December 2019

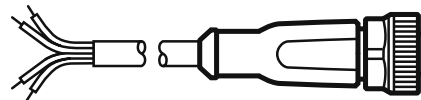

UK

3-wire socket EVC

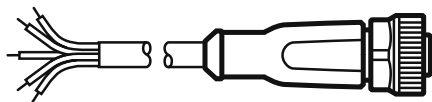

Ø 4.9 → Ø 4.3

4-wire socket EVC

Ø 4.9 → Ø 4.3

5-wire socket EVC

Ø 4.9 → Ø 4.6

**!** The strand cross-section of 0.34 mm<sup>2</sup> will remain unchanged.

**!** Adjust the size of the cable gland, if necessary.

General technical and approval-relevant features will remain unchanged.

- Suitability for drag chains
- Alternate bending stress
- Torsion resistance
- Resistance to grease and coolants
- Temperature range
- Voltage drop
- Current rating
- UL/CSA approval
